REPORT OF COUNCIL,

To the Members, at the Annual General Meeting, Wednesday, February 27th, 1884.

I. SESSION 1882–83.

PUPILS AND FEES.

The entire number of Pupils during this Session was 1898, being an increase of 15 on that of the preceding Session. Of these Pupils, 1197 were Students in the College, and 701 Pupils in the School. Of the Students, 370 belonged to the Faculty of Medicine, 93 being new Students: in the Faculties of Arts and Laws and of Science there were 827 Students, 504 being new Students. The largest number of Boys in the School in any one Term was 610.

The Fees received (exclusive of those for Clinical Instruction) amounted to £33,020 8*s.*, being £29 18*s.* 6*d.* less than in the Session 1881–82, and consisted of the following items:—Fees for attendance on the Classes of the Faculty of Medicine, £7783 2*s.* 6*d.*; Fees for attendance on the Classes of the Faculties of Arts and Laws and of Science, £10,919 9*s.* 6*d.*; School Fees, £14,317 16*s.* The total payments to Professors, Teachers, and Masters amounted to £22,086 19*s.* 6*d.* In addition to the above-stated amounts, the sum of £2809 16*s.* was received for Clinical Instruction in the Hospital, making a total of £10,592 18*s.* 6*d.* paid by Students of the Faculty of Medicine in the Session.

SCHOOL.

The returns which have been laid before the Council show that the discipline of the School remains in a satisfactory state.

The Juliana de Rothschild Prize of £20 for the candidate from the School who should obtain the highest place in the Honours Division at the June Examination for Matriculation in the University of London, was given originally by Mrs. Isaac Cohen in memory of her daughter, the late Baroness Mayer de Rothschild. Since Mrs. Cohen's death her daughter, Miss Lucy Cohen, has offered to continue giving the Prize from year to year. It was awarded last year to Herbert Caiger, who gained the twelfth place in the Honours Division.

At the June Matriculation Examination in the University of London in 1883, four places in the Honours Division were gained by pupils of the School. The West Scholarship in English was awarded to one of the four, Herbert Caiger.

Sir Barrow Ellis has again offered a Prize of £5 for the encouragement of the study of Geography.

The following Table shows the number of boys in the School in each of the three Terms of the last five Sessions:—

	1st Term.	2nd Term.	3rd Term.	Average for the year.
1878–79.....	659	630	660	650
1879–80.....	667	657	664	662
1880–81.....	607	616	623	615
1881–82.....	600	599	587	595
1882–83.....	568	582	610	587

In the first Term of the present Session the number was 582.

From the Tables in the Vice-Master's Report it appears that out of a total of 709 boys, 80 were entered in the Black Book last Session, the total number of entries being 114.

A list of distinctions lately obtained by former pupils of the School is placed at the end of the Report. This list is selected from a larger one compiled by the Vice-Master and prefixed to the "School Honour List."

Four Scholarships, giving free admission to the School for three years, will in July be offered for competition among boys between the ages of twelve and fourteen, whether they are already in the School or not.

II. GENERAL FINANCES.

The surplus of receipts over expenditure for the Session 1882–83 was £528 3*s.* 0*d.* This surplus has been applied by the Council to the reduction of the debt on the last addition to the South Wing, from £562 11*s.* 2*d.*, to £34 8*s.* 2*d.*

There was at the end of the Financial year a debt of £10891 5*s.* 1*d.* on the extension of the North Wing.

III. THE CURRENT SESSION.

The entries of Students to February 1st, 1884, have been as follows:—in the Faculty of Medicine, 384, of whom 75 are new Students; in the Faculties of Arts and Laws and of Science, 651, of whom 368 are new Students: in the School, in Michaelmas Term, 582, of whom 91 were new pupils; in the present Term, 561, 44 being new pupils.

HOSPITAL.

The Committee of the Metropolitan Hospital Sunday Fund awarded to University College Hospital from their 1883 Collection £1004 4*s.*, being £8 6*s.* less than the sum received in the previous year.

The Committee of the Hospital Saturday Fund have also awarded to this Hospital from the 1883 Collection £198 2*s.* 11*d.*, an increase upon the grant of the previous year of £63 14*s.* 7*d.*

Mr. S. J. Hutchinson, L.D., has been appointed Dental Surgeon to the Hospital.

Mr. V. A. H. Horsley, M.B., B.S., has been re-appointed Surgical Registrar for twelve months.

This is the 50th or Jubilee year of the Hospital, as it was opened for the reception of patients in 1834; and the Lord Mayor has kindly consented to preside at a Meeting, to be held on its behalf, at the Mansion House on the 16th June next. It is hoped that all those interested in the welfare of the charity will endeavour to be present on that occasion.

The Treasurer and the Secretary will thankfully receive any Donations or Subscriptions in aid of the funds, which the Hospital Report states are far from being in a satisfactory condition.
